NAGMS Standard MagR0416

Welcome to the National Guard Association of Mississippi Standard, the premier source for connecting the members of the Mississippi National Guard to the resources that allow them to be the bridge between the military and the civilian sectors. No other branch of the armed forces is able to understand the importance of our local communities while maintaining an eye abroad to the enemies that could so easily be at our doorstep. In short, in times of disaster at home as well as conflicts on foreign shores, our men and women of the Mississippi National Guard stand ready to answer the call.

Likewise the National Guard Association of Mississippi also stands ready to meet the needs of our Servicemembers and their families. The NGAMS is the voice for the Servicemember in both our national and state legislative branches. The NGAMS, through its Patriot Partnership Program, provides affordable national and state conferences for our Servicemembers to meet and discuss the issues that impact them. The NGAMS through Patriot Partner AFBA/5 Star Life Insurance provides affordable basic and enhanced life insurance policies to give our Servicemembers peace of mind should they make the ultimate sacrifice in service. The NGAMS is all of the above programs and so much more. We exist solely to serve those who are willing to pay any price necessary to protect this country.

Thank you for allowing us to share with you the inaugural NGAMS Standard magazine. Please let it be your year-round resource for information on both our programs as well as the companies that provide you the ability to better serve our state and nation. We are very excited to provide this additional service to you and look forward to continuing to set the Standard.

Sincerely,

Your Association

NEVER PAY STATE OR NATIONAL DUES AGAIN! NGAMS IS OFFERING NEW LIFE MEMBERSHIP OPTIONS.

Currently a life membership for NGAUS costs \$1,000 and you still have to pay your yearly membership to NGAMS. Further you then have to pay a one time retired membership.

However, for a limited time we are offering a special \$750 life membership that covers both the National Guard Association of the United States (NGAUS) and the National Guard Association of Mississippi (NGAMS)...for the rest of your active and retired life!!!!

As an active life member, you will always count as a delegate, even after retirement. Normally it takes 50 retired members of the association to count as equal to one active delegate. Having more delegates strengthens the ability of your NGAMS to protect you, your fellow Servicemembers and your respective families. Have your voice heard and your vote count one for one even after you retire.

Further, members also enjoy a variety of benefits that include everything from insurance and other life enhancing programs to various discounts and privileges with a variety of business partners. Visit the following link below for more details:

National Guard Association of Mississippi Group Life Insurance Program

No-cost \$1,000 Death Benefit

For active Guard members only

Basic Coverage

From \$10,000 - \$35,000 of coverage from \$3.80 per month

Enhanced Coverage

Starting at \$4 per month for \$50,000 of coverage for you and your spouse

Your family makes great sacrifices every day that allow you to serve. If you were to make the ultimate sacrifice for your country, your family's grief would be painful enough without added financial worries. Think of the hardship and expenses your family would face alone - without you and the security you provide.

No Cost \$1,000 Death Benefit for Active Guard Members

This benefit is free to you. All Mississippi active guard members are covered 24/7 whether drilling or not. There's no enrollment necessary - you are automatically eligible for this benefit should something happen to you. Death benefit is paid to named beneficiary, spouse, or next of kin.

Basic Coverage

The Basic program provides financial protection in the event of death. It also provides coverage for your spouse and/or children, all at an affordable monthly cost.

Member Coverage

Basic coverage gives you 4 options. After 12 consecutive months, you are eligible for increased insurance which becomes effective on the next June 1 following completion of the 12 month period.

The additional coverage is at no-cost to you.

| Member Coverage | | |
|-----------------|--------------|-----------------|
| Amount | Monthly cost | After 12 months |
| \$10,000 | \$3.80 | \$12,500 |
| \$16,000 | \$6.00 | \$21,000 |
| \$25,000 | \$8.95 | \$32,500 |
| \$35,000 | \$12.25 | \$45,000 |

Dependent Coverage

If you and your spouse are both members of the MS National Guard you must have your own individual coverage. Either you or your spouse can apply for coverage on children but not both.

| Dependent Coverage | | |
|--------------------|------------|--------------|
| Spouse | Each child | Monthly cost |
| \$10,000 | \$2,500 | \$3.00 |
| \$15,000 | \$5,000 | \$4.00 |
| \$30,000 | \$10,000 | \$8.00 |
| \$50,000 | \$15,000 | \$13.00 |

Separation: If you have been insured for 12 consecutive months, you can retain your basic coverage until age 60. You may keep the same amount in force except for the extra increased insurance. You can pay the monthly contribution on a direct bill basis.

Retirement: At retirement, if you have 20 years of service and have been insured for 12 consecutive months, coverage continues in force until age 60 at the same premium. Between 60 - 70 death benefit reduces to \$10,000, spouse benefit to \$10,000, and dependent children to \$2,500. At age 70, death benefit reduces to \$5,000, spouse benefit to \$5,000, and dependent children remains at \$2,500.

Spouse retention: A surviving spouse age 59 or less of an insured member who dies before age 60 can retain the coverage he/she carried as a dependent of the deceased Guard member and may include related coverage on the already insured dependent children at a slightly higher cost.

Both the Basic and Enhanced coverage offer these two great benefits:

- **Family survivor college scholarship.** Surviving spouse and children are eligible for \$10,000 per year, per family, up to a total maximum benefit of \$40,000 toward a college degree when member dies in a combat zone as a result of combat action or acts of foreign or domestic terrorism.
- **No combat or terrorism exclusions.** No geographical area exclusions.

Enhanced Coverage

When you have the maximum coverage in the Basic program, you can purchase additional coverage. The Enhanced program provides affordable term life insurance with a level death benefit and only 3 age bands for contributions.

Affordable life insurance

You can purchase \$50,000 of protection for as little as \$4 a month if you're under 50 years of age and don't use tobacco products. Contributions increase at each age band as shown below.

No medical exam for Guard members under age 50 applying for up to \$250,000 of coverage and ages 50-59 up to \$100,000. For spouses, no medical exam under age 40 up to \$250,000 and under age 50 up to \$150,000. Just complete the enrollment form and answer a few health questions.

Coverage from \$50,000 to \$400,000

Based on your individual situation, you decide how much coverage is right for you and your family.

Emergency death benefit payment

Emergency death benefit payment of up to \$15,000 within one business day of notification to help your loved ones with immediate costs.

Full coverage after retirement or separation

As long as contributions are paid, coverage continues to age 70*. There are no occupation restrictions, so regardless of what you do after the military, you're covered. Regardless of any health issues that may develop in the future, you're still covered. Upon retirement or separation, policy contributions will be paid directly to AFBA rather than through allotment.

Spouse coverage

You can easily purchase coverage for your spouse on the same application.

❧ UPDATE ON MISSISSIPPI LEGISLATION 2016 ❧

The NGAMS Legislative Committee has continued to listen to the issues important to our Servicemembers and their families in an effort to protect their ability to serve our citizens while simultaneously care for their families and function as leaders in their communities. Immediately after the 2015 Mississippi Legislative Session and 2015 NGAMS Annual Conference, the outgoing and newly appointed members of the Legislative Committee met to review the past year and map out a plan for the 2016 session. Through the efforts of the Legislative Committee, the members of the NGAMS, the legislative liaison to the Adjutant General and our leadership in the Mississippi Legislature we are very happy that the following proposals have passed and been signed into law. We thank all those involved for their tireless efforts and their concerns for the well-being of our men and women in uniform.

HB 732 This bill makes specific changes for Title 33 (Military Justice):

- 1) Changes the maximum amount a General Courts-Martial may fine from \$200 to \$2,000.
- 2) Changes the maximum amount a Special Courts-Martial may fine from \$100 to \$1,000.
- 3) Changes the maximum amount a Summary Courts-Martial may fine from \$25 to \$250.
- 4) Change to allow TAG to designate Confinement Facility. This section will now be consistent with other sections in Title 33 that allows the Mississippi Adjutant General to designate the confinement facility.

HB 968 This bill clarifies the synonymous meaning of the terms “high school equivalency diploma” and “GED” for purposes of qualifying students in the Mississippi National Guard Youth Challenge program for graduation.

HB 1119 This bill revises section 33 so that military police during periods of annual training are granted certain peace officer powers; provides the Adjutant General, MS Military Department, MS National Guard and designated civilian employees discretion in performance of their duties and immunity under the MS Tort Claims Act; provides monies from the state general fund may be utilized for the training of civilian guard officers at the law enforcement academy.

UPDATE ON MISSISSIPPI LEGISLATION 2016

SB 2468 This bill makes specific change to Title 97 (Crimes) making it a felony offense to assault a member of the Mississippi National Guard or United States Armed Forces while they are acting within the scope of their duties. It's already a felony offense to engage in simple assault against Law Enforcement Agencies and other first responders.

SB 2669 Changes the name from "U.S. Court of Appeal for Military Forces" to "U.S. Court of Appeals for the Armed Forces." The U.S. changed the name of the Court over 10 years ago, but Mississippi didn't update the name in Title 33.

SB 2032 Allows any nonlaw enforcement vehicle being used to lead and facilitate the movement of a military funeral procession to be marked with blinking, rotating or oscillating purple lights.

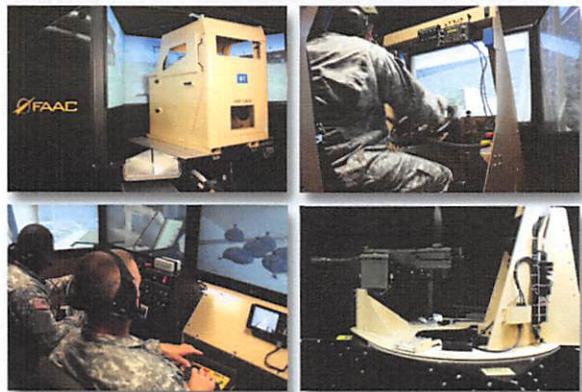

SB 2493 Allows members of the National Guard to name a temporary power of attorney for care and custody of their children while deployed or activated in performance of their military duties.

To educate our elected officials in our service and needs, the Mississippi National Guard Legislative Committee had a well attended luncheon during the 2016 Legislative Session to include 67 legislators, Lieutenant Governor Tate Reeves and Secretary of State Delbert Hosemann. Lieutenant Governor Tate Reeves toured the facilities and capacities at Thompson Field while members of the Senate and House were given a tour and demonstration of our units' capabilities during annual training at Camp Shelby.

The NGAMS Legislative Committee will continue to educate our elected officials on the mission and importance of the Mississippi National Guard and support legislation that benefits our members.
