Let this be the last time you ever pay dues! Take advantage of the NGAMS Life Membership.

It's time to pay membership dues to NGAUS and NGAMS. Let 2017 be the last time that you pay those dues. For a limited time we are offering a special \$750 life membership that covers both the National Guard Association of the United States and the National Guard Association of Mississippi...for the rest of your active and retired life! Here is how much money you can save.

Here are the combined NGAMS and NGAUS rates for the various ranks:

WO1- \$31 per year
CW2- \$42 per year
CW3- \$55 per year
CW4- \$71 per year
CW5- \$89 per year
2LT- \$36 per year
1LT- \$53 per year
CPT- \$69 per year
MAJ- \$86 per year
LTC- \$103 per year
COL- \$130 per year

Then, to keep the group life insurance and to participate in the association, there is a one time retired life membership fee of \$150.

For the sake of this example let's make a very conservative 26 year estimate that an individual will serve as a 2LT for 3 years, 1LT for 3 years, CPT for 5 years, MAJ for 5 years, LTC for 5 years and COL for 5 years. For a warrant officer career let's make a conservative 16 year estimate that the service time for a warrant officer is WO1 for 2 years, CW2 for 4 years, CW3 for 5 years and CW4 for 5 years. However most officers and warrant officers serve even longer than each of these estimates.

That means, conservatively, that a warrant officer will spend over a 16 year span \$1,010 and an officer over a 26 year span will spend \$2,347 in NGAMS/NGAUS dues. For longer careers, this number only increases. That is why a life membership makes so much financial sense.

Further, the options for paying the life membership fit all budgets!

One payment of \$750.00

Two payments of \$375.00.

Four payments of \$187.50.

Eight payments of \$93.75.

Twelve payments of \$62.50.

Twenty-four payments of \$31.25.

And the savings for paying as a life member get even better! We will even give you credit for the amount you have already paid for 2017 dues! Use the following chart to see how much you can subtract from your total before making your payment(s).

Coupon code	Amount
2LT	36.00
1LT	53.00
CPT	69.00
MAJ	86.00
LTC	103.00
COL	130.00
BG	151.00
MG	169.00
WO1	31.00
CW2	42.00
CW3	55.00
CW4	71.00
CW5	89.00

For example, if you are a captain that has already paid your 2017 dues then you subtract \$69.00 from the \$750.00 and you only have to pay \$681.00. If you then want to use the two payment option then you make two payments of \$340.50. It simply can't get any easier and the savings can't get any better.

Here is how you can do it...
